About Us

SciTech Central Conferences invites participants for the events related to various fields across the world to get their research work showcased at an International platform. **The SciTech Central Conferences** is making its mark in the world of researchers and analyst, inventors and inventions, science and education, business and economics, health and medicine and many more by providing details of related events, seminars and conferences. The concept of these events is basically to exchange knowledge and share the research experience on a stage where scientists & researchers from different parts of the world gather to aware the society regarding the recent advancements & breakthroughs in the field of science and technology. SciTech Central Conferences' uniqueness is manifested in its technological flexibility and the implementation of innovative technologies.

SciTech Central Conferences are coming up with an International platform to discuss the recent research in the field of science and to motivate industrialists to implement them for the social welfare. **SciTech Oncology 2019** is an initiation to bring awareness about the breakthroughs and challenges in the field of hematology and oncology. In collaboration with scientists, students, medical industries, patients, doctors, interns from all over the world, the conference is scheduled in **Dubai, UAE** during **June 17-18, 2019**. It will cover all the aspects related to cancer genetics, clinical trials, case studies, diagnostics, therapy, disorders, and theories associated with them.

General Assistance

Issue of Invitation Letter

The Oral/Poster participant can request for the Invitation Letter after the acceptance of their abstract. They may also request for the addition for particular details, if required by the funding organization. If the corresponding author registers for the conference, the Co-authors are not considered for the Invitation Letter.

The Co-Authors are requested to complete the registration process as a conference delegate (if not presenting any talk/poster) and then request for the Invitation Letter. For delegate participation, Invitation Letter is considered after the registration payment.

Check In at the Conference

All the participants will be provided with the payment receipt after the registration. They are requested to please carry a copy of it for the check in at the conference hall. The Conference Kit and ID card will be provided at the conference reception desk only.

Issue of Certificate

The Oral participants will receive the certificates immediately after the talk is over

The Poster participants will receive the certificate after the judgment of best poster is completed.The delegates will be given the certificate at the end of the conference in the award ceremony

*For the Oral/Poster presenters there is no separate certificate for participation

*Each individual is eligible to submit 2 abstracts for 2 Oral/Poster or 1 Oral 1 Poster presentation
