24TH GLOBAL IMMUNOLOGY, MICROBIOLOGY & INFECTIOUS DISEASES SUMMIT

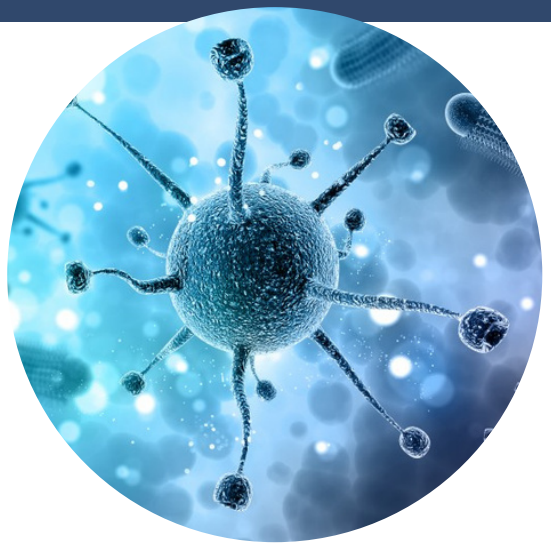
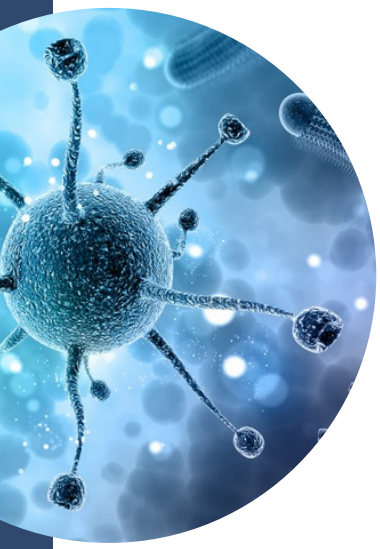
After a great successful completion of 10th World Summit on Immunology, Microbiology & Infectious Diseases during November 23, 2021 SciTech Central Conferences is delighted to announce a Virtual conference 24th Global Immunology, Microbiology & Infectious Diseases Summit (SciTech Immuno-Microbiology 2021) scheduled on October 12-13, 2021. Gain & Share the Knowledge of Immuno -Microbiology is the theme of the conference. The interested speakers are requested to submit abstract and video of the talk. Speakers can be academicians, researchers, scientists, students, faculty members, healthcare executives, doctors, industrialists, entrepreneurs etc. The exhibitors are invited to promote their healthcare products at our conference websites.

Microbiology deals with the study of a spread of living organisms that are not visible to the naked eye such as bacteria and fungi and many other microscopic organisms. Bacteriology, Phycology, Mycology, Protozoology, Virology, Parasitology, Nematology are the branches of microbiology. It has various applications in specific fields like medicine, agriculture, industry etc.



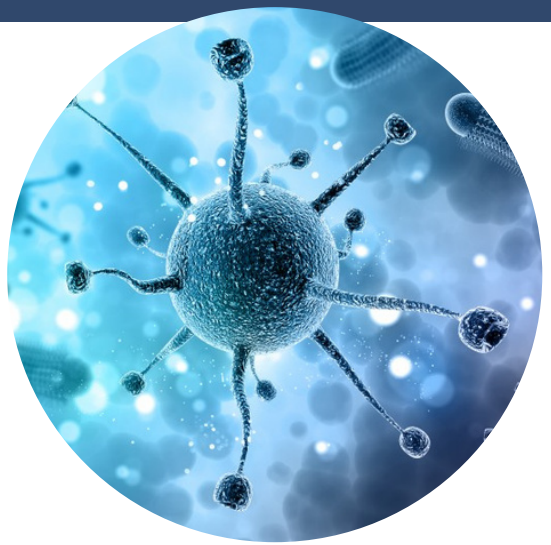


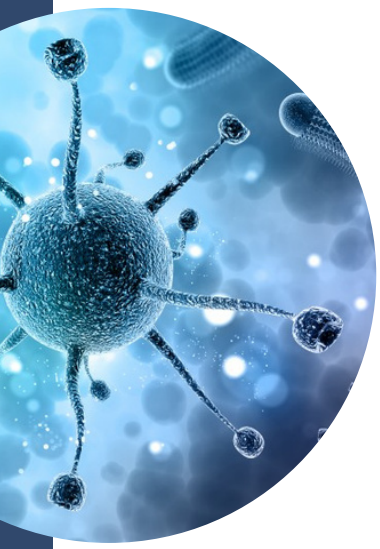
CONFERENCE SESSIONS

- Microbial biochemistry, Biotechnology and synthetic biology
- Industrial Microbiology and Future Bio industries
- Breakthroughs in Epidemiology and public health
- Tropical & blood infectious diseases
- Latest Trends on Cancer immunology & therapy
- Infectious diseases in Pregnancy
- Gastro intestinal & Urinary Tract Infections
- Retroviruses, Pediatric & parasitic infections
- Recombinant DNA Technology on Parasitology
- Future impacts on Medical Microbiology
- Cardiovascular & Ophthalmological Infectious Diseases
- Market analysis for infectious diseases
-

- Advances in Antiviral, Antibacterial, Antimicrobial Agents
- Drug discovery technology in antibiotics
- Microbes in human welfare
- Research on Medicine&vaccine for Covid-19
- Nocosomal Infections & control
- Future Trends in Genomics
- Genetic Engineering in Microbiology
- Molecular and Cellular mechanism of Allergic diseases
- Current focus in virology research
- Challenges in Pathology and laboratory medicine
- Pathogenecity of plant microbes
- Parasitic, fungal and bacterial diseases
- Vector-borne & Zoonotic infectious diseases
- Food borne & water borne infectious diseases
- Applied microbiology in animals
- Microbial ecology and evolution
- Neonatal and Pediatric Immunology
- Epidemiology of bacterial infections
- Ebola & Zika viral Infections
- Cell, Molecular Biology and Molecular Genetics
- Respiratory and Pulmonary Infectious Diseases
- Recent advancements in Public Health
- New Trends in Vaccines Development
- HIV Prevention, Treatment and Cure
- Updates in STDs & Control
- Drug interaction in infectious diseases
- Occupation safety & Health
- Plant pathology and disease control
- Internal medicine for infectious diseases
- Hospital Acquired Infections & Pediatric infectious diseases
- Aquatic and marine microbiology
- Applications of molecular microbiology
- Disease diagonosis and prevention

Sc Tech central Conferences





WHY TO EXHIBIT

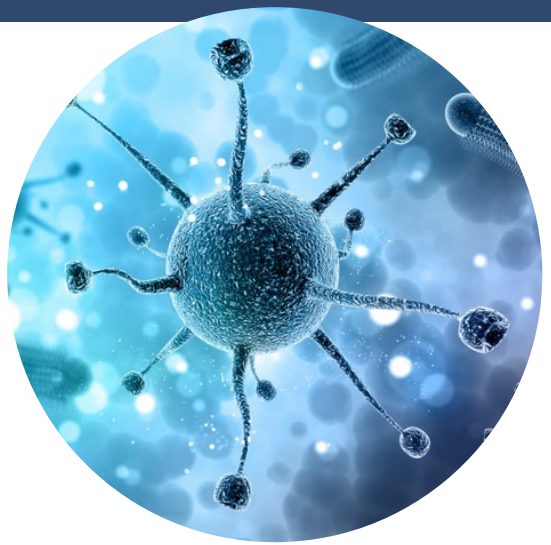
- To showcase products and services
- Generate leads and expand your customers
- Get the potential reviews from audience
- Promote and increase the brand value
- Discover new techniques and collaborate to make new business partners
- Launch your new products
- Build relationships with your clients
- Sell products at cost-effective promotions/advertisements
- Watch and compete with rivals
- Global exposure

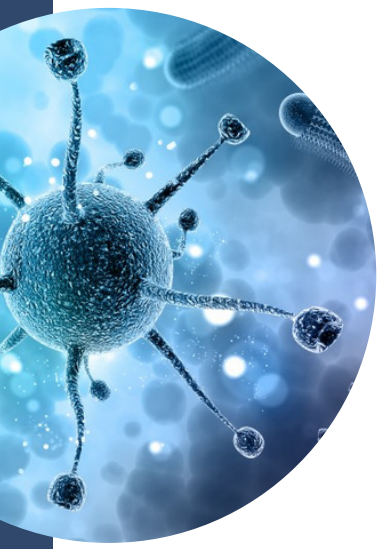
To join us as an Exhibitor, Register Now

This registration package includes:

- A video update in our YouTube Channel
- Company's logo will be featured in Brochure of Seminar
- The company's Logo with the redirection to their own website will be added to the Seminar website
- Exhibitor E-Certificate will be awarded
- Promotion through Social Media

For any related information please email us at info@scitcentralconferences.com





TYPES OF ADVERTISEMENT OPPORTUNITIES

Logo in Seminar Brochure
$100

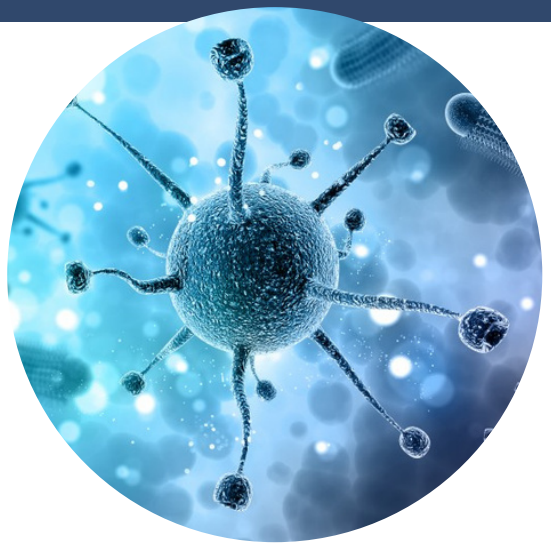
Logo in Seminar Brochure with 1 page content
$175

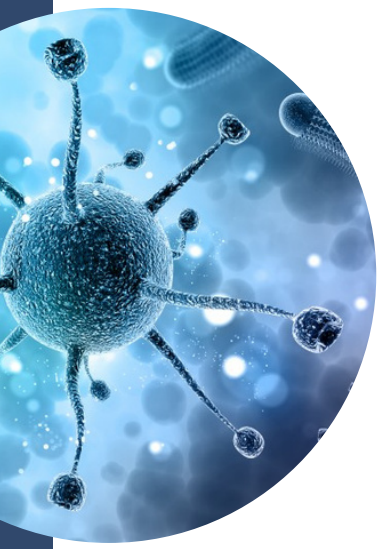
One video slot in YouTube Channel (30 minute)
$375

One Page flyer in Seminar Brochure
$125

One Video Advertisement (Upto 15 minutes)
$275

SciTech central Conferences





REGISTRATION

Conference Registration includes:

1) Access to all Conference talks online
2) Abstract published in Conference Proceeding
3) International E-Certificate issued after the Conference
4) Video promotion through all our Social Media(YouTube, Facebook, Twitter, LinkedIn) Platforms
5) Significantly Reduced publication fee in our Supporting Journals
6) Opportunity to Collaborate with our Supporting Journals
7) Group registration benefits
8) Participation referral discounts

* Co-authors should register to be a part of Video and Certificate Felicitation

Video Presentation
Early Bird (July 28, 2021)
$107 ($99 + Taxes)

Standard (October 11, 2021)
$157 ($149+Taxes)

Exhibition
Early Bird (July 28, 2021)
$375

Standard (October 11, 2021)
$475
